Sample Images from the
Noer/Milorganite® Image Collection
http://noermmsd.lib.msu.edu

The online collection currently features digitized versions of 12,900 35mm slides, with the majority shot between 1938 and 1976. Included are photographs of lawns, sports fields, golf courses, and public institutions throughout the United States and Canada, with weeds, pests, diseases, equipment, cultural practices, and personalities featured.
