

Turfgrass Information Center - Annual Subscription Form

Fill out the form below, print, sign, and mail.

This form is not for online submission

Availability of the 'Annual Subscription' is limited to:

1. Organizational not-for-profits where all members of the group are of an associated profession, or,
2. A registered for-profit with access limited to paid employees of the firm, or,
3. An individual acting on his/her own.

In addition, Annual Subscribers must limit the availability of passwords for access as outlined above. Passwords cannot be publicly posted online; and will be changed annually as a part of the renewal process. Evidence of abuse of this arrangement will result in termination of access. The designated contact as indicated for each annual subscription will also be ultimately responsible for any extra-charge TIC services generated by users of those passwords.

If any group (organization or corporation) wishes to use IP or intranet-based means to provide access to the TGIF database, please see the [Contributing Cooperator category](#).

Individuals associated with academic institutions should use the [Academic Subscription category](#).

If an entity wishes to make TGIF available to a defined population as a 'customer-benefit', please [contact us](#) to discuss your proposal.

Final determination of organizational or corporate qualification for a multiple-user access arrangement is at the sole discretion of the Michigan State University Libraries.
